

*Providing for today.
Innovating for tomorrow.*

INTEGRITY & TRUST • SERVANT LEADERSHIP • PEOPLE & PASSION • OPEN COMMUNICATION • COMMERCIAL FOCUS

VALUES-BASED BUSINESS

- Our People are our #1 asset
- Safety-focused culture
- We give back to where we live and work
- Deliver on company objectives while living core values

GLOBAL OPERATIONS

Among the world's largest independent oil and natural gas E&P companies.

Anadarko operates in regions across the world including multiple US locations, Gulf of Mexico, Africa and Peru.

INTERN EXPERIENCE

- Social and networking events
- Rotational assignments, relocation, and business travel opportunities
- On-going training and development opportunities

PLANNING FOR THE FUTURE BUILDING TOMORROWS LEADERS

Who We Hire:

At Anadarko, we seek college students for both internship and full-time positions in a variety of disciplines, who demonstrate:

- Record of strong academic performance and work experience
- Involvement and leadership in Extracurricular activities
- A strong work-ethic and desire to learn
- Robust interpersonal and collaborative skills
- Willingness to take on challenging assignments and manage multiple projects and deadlines

Joining Anadarko, you will have opportunities to:

- Explore your personal interests and develop fundamental, career-building skills
- Learn while working on challenging and rewarding projects that are as diverse as our employees
- Build and grow your personal and professional networks

DISCOVER ANADARKO

Anadarko employees have the opportunity to work on challenging and rewarding projects across many horizons. Our success is driven by innovative thinking, a willingness to share and grow knowledge, and a common desire to safely find and develop the energy resources our world needs.

Committed to protecting the environment, public health and the communities in which we live and work, while finding and producing the vital oil and natural gas resources that fuel modern life

A Fortune 500 company with a premier position in major U.S. onshore shale and resource plays, oil-focused opportunities in deepwater basins worldwide, and a transformational LNG project in Mozambique

Ranked second in Rigzone's top independent companies where oil and natural gas professionals want to work

DISCOVER Engineering's Internship Program

Accelerate Your Career

As a new engineer, you will likely start your career in field operations, enabling you to watch your recommendation be put to the test. Anadarko offers opportunities in drilling, completions, reservoir, production and midstream engineering. You will be part of Anadarko's Launch development program designed for early career engineers where you will be given value adding responsibility supplemented with technical training and mentorship.

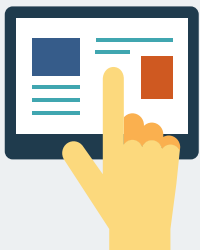

Your Talent in Action

Working in teams with other Anadarko professionals, you'll explore what it's like to have your knowledge count and discover that your contributions matter. Anadarko provides diverse, exciting and rewarding internship opportunities each summer, starting as early as the summer before college.

LAUNCH Development Program

Providing early career engineers with development opportunities that improve integration into Anadarko, accelerate development, and increase speed-to-proficiency through a defined roadmap and competencies. LAUNCH enables skill development in multiple disciplines through:

- Dedicated time in the field
- Technical training and role-based competencies
- Technical and career mentorship
