PLANNING FOR THE FUTURE BUILDING TOMORROWS LEADERS

Who We Hire:

At Anadarko, we seek college students for both internship and full-time positions in a variety of disciplines, who demonstrate:

- Record of strong academic performance and work experience
- Involvement and leadership in Extracurricular activities
- A strong work-ethic and desire to learn
- Robust interpersonal and collaborative skills
- Willingness to take on challenging assignments and manage multiple projects and deadlines

Joining Anadarko, you will have opportunities to:

- Explore your personal interests and develop fundamental, career-building skills
- Learn while working on challenging and rewarding projects that are as diverse as our employees
- Build and grow your personal and professional networks

DISCOVER ANADARKO

Anadarko employees have the opportunity to work on challenging and rewarding projects across many horizons. Our success is driven by innovative thinking, a willingness to share and grow knowledge, and a common desire to safely find and develop the energy resources our world needs.

Committed to protecting the environment, public health and the communities in which we live and work, while finding and producing the vital oil and natural gas resources that fuel modern life

A Fortune 500 company with a premier position in major U.S. onshore shale and resource plays, oil-focused opportunities in deepwater basins worldwide, and a transformational LNG project in Mozambique

Ranked second in Rigzone's top independent companies where oil and natural gas professionals want to work

DISCOVER Geology & Geophysics Internship

Your Talent in Action

Geoscientists at Anadarko become a valued part of a multidisciplinary team seeking to identify, capture, responsibly drill and develop hydrocarbon resources. Our success is driven by thoughtful contribution, knowledge-sharing and teamwork, integrity and a common desire to find new solutions to dynamic challenges. Anadarko employees use leading-edge technology and pioneering ideas to unlock new resources. Anadarko offers opportunities both domestically and internationally.

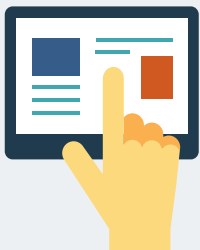

Accelerate Your Career

As a first or second year graduate student, an internship at Anadarko will allow you to gain firsthand experience as part of an integrated technical team. Your skills will be developed through on-the-job training, mentoring, and challenging assignments that allow your innovation and ingenuity to shine. A geoscience internship will provide valuable experience for future employment opportunities in the petroleum industry.

Experiences are in:

As a new geoscience professional, you will be engaged in meaningful projects with real responsibility from the beginning. Career options go beyond general geology and geophysical interpretation to include:

- Specialties in basin analysis
- Modeling
- Sedimentology
- Structure
- Stratigraphy
- Geochemistry
- Petrophysics
- Operations
- Geophysical technology application
