Who We Hire:
At Anadarko, we seek college students for both internship and full-time positions in a variety of disciplines, who demonstrate:
• Record of strong academic performance and work experience
• Involvement and leadership in extracurricular activities
• A strong work-ethic and desire to learn
• Robust interpersonal and collaborative skills
• Willingness to take on challenging assignments and manage multiple projects and deadlines

Joining Anadarko, you will have opportunities to:
• Explore your personal interests and develop fundamental, career-building skills
• Learn while working on challenging and rewarding projects that are as diverse as our employees
• Build and grow your personal and professional networks
Committed to protecting the environment, public health and the communities in which we live and work, while finding and producing the vital oil and natural gas resources that fuel modern life.

A Fortune 500 company with a premier position in major U.S. onshore shale and resource plays, oil-focused opportunities in deepwater basins worldwide, and a transformational LNG project in Mozambique.

Ranked second in Rigzone’s top independent companies where oil and natural gas professionals want to work.

**Your Talent in Action**
Anadarko has a robust organizational commitment to safety and the Health Safety and Environment (HSE) field encompasses a broad spectrum of challenging and rewarding opportunities that enable you to identify and evaluate environmental sensitivities and workplace safety hazards. This discipline also offers solutions and ensures compliance with government laws and regulations.

**Accelerate Your Career**
Anadarko provides diverse internship opportunities each summer. Working with the HSE team, you will gain valuable experience, knowledge and insight that will lead to a rewarding career. You will learn about and be involved in advancing our corporate safety culture, LiveSafe. Health, safety and environment touch all aspects of Anadarko and so do our learning experiences. An internship with Anadarko’s HSE teams can provide experiences in environmental, process safety, emergency response, field operations and corporate safety.

**Anadarko Offers:**
- In-house technical and leadership development programs
- Competitive paid time off programs
- Environment that recognizes and rewards success
- Excellent benefits program
- Educational reimbursement program
- Community support and volunteer opportunities
