Direct Deposit Payment Information Sheet

When will the funds be deposited?

Funds transfers will be initiated by our bank about the same time physical checks are being mailed by the bank. Posting to your account will vary based on your financial institution.

What will happen to the property-level detail that normally comes with my check?

If you elect to enroll in the Direct Deposit program, you will be automatically enrolled in the "Stop Paper Detail" service provided to you at no cost through the secure Anadarko Owner Relations Website. To activate your account, login to the Anadarko Owner Relations Website at <https://connect.oildex.com/apc/> using your Anadarko Owner Number and your initial temporary password which is the last six digits of your Social Security Number or tax ID. Your revenue payment and property-level details are immediately available for online viewing at the time of the deposit into your account. Once your account is activated, you will receive an email notification when a new revenue statement is available.

How do I elect to receive the property-level details via e-mail?

If you do not want to login to your account every month, you can elect to have your statements emailed directly to you. To select this option, first, login to the Anadarko Owner Relations Website at <https://connect.oildex.com/apc/> using your Anadarko Owner Number and password. Your initial temporary password is the last six digits of your Social Security Number or tax ID. Then, click on the "My Profile" tab; click on "Change Email Address-notification and attachments", check both "Send email notification ... " AND "Send data ": and be sure to provide a password for the data file. For assistance, please contact Oildex technical support at support@oildex.com.

Can I direct funds to more than one account?

Deposits can only be sent to one account.

What type of accounts can be used for Direct Deposit?

Any account that accepts Direct Deposit transfers can be used in the program. If you are unsure as to whether your bank is set up to accept Direct Deposit transfers, please contact your institution prior to returning your enrollment form. If we encounter difficulty during the setup and testing process, you will be notified using the contact information you have provided. This may delay the start date for you to receive electronic deposits.

What happens if I need to change the deposit account at a later date?

Changes to your banking information and contact information can be made at any time in writing or via the Oildex portal, under "Forms". Please remember to notify us thirty (30) days before closing or changing an account that you are using for electronic deposits. If changes are not communicated, a Direct Deposit transfer may be declined by your bank, which will create a delay in the receipt of your funds.

How soon will Direct Deposit start after you receive my enrollment form?

Depending on the date your form is received and processed, Direct Deposit will begin either at the end of the current month or the following month. (If Direct Deposit does not begin until the following month, a check will be issued for the current month.)

Will there be any changes to year-end reporting?

There will be no change in year-end reporting. You will receive information on IRS Form 1099 which will be mailed to you and is also available via the Anadarko Owner Relations Website at <https://connect.oildex.com/apc/>

Is my information secure?

Anadarko has the utmost respect for your privacy and security. At no time will your information be shared.
