Purpose

The Audit Committee (the “Committee”) is appointed by the Board of Directors (the “Board”) of Anadarko Petroleum Corporation (the “Company”) to assist the Board in monitoring (1) the integrity of the financial statements of the Company, (2) compliance by the Company with legal and regulatory requirements, (3) the independent auditor’s qualifications and independence, (4) performance of the Company’s internal audit function and independent auditor, and (5) the business practices and ethical standards of the Company. The Committee is also directly responsible for (a) the appointment, compensation, retention and oversight of the work of the Company’s independent auditor, (b) the preparation of the report that the Securities and Exchange Commission (the “SEC”) requires to be included in the Company’s annual proxy statement, (c) the approval of audit, audit-related, tax and other services to be performed by the independent auditor, and (d) the performance of such other functions as the Board may from time to time assign to the Committee. In performing its duties, the Committee shall seek to maintain an effective working relationship and an open avenue of communication with the Board, the independent auditor, internal audit and management of the Company.

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company’s financial statements and disclosures are presented fairly in all material respects in accordance with generally accepted accounting principles. These are the responsibilities of management and the independent auditor. Nothing contained in this Charter is intended to expand applicable standards of liability under statutory or regulatory requirements for the members of the Committee.

Committee Membership

Independence. All Committee members must be independent as determined by the Board. To be considered independent, each Committee member must meet the independence requirements of the New York Stock Exchange (“NYSE”), the Sarbanes-Oxley Act of 2002 (“SOX”) and the rules and regulations of the SEC and the Company’s Corporate Governance Guidelines. Committee members shall not simultaneously serve on the audit committees of more than two other public companies.

If a member of the Committee ceases to be independent for reasons outside the member’s reasonable control, his or her membership on the Committee may, if so permitted under then applicable NYSE rules, continue until the earlier of the Company’s next annual meeting of

stockholders or one year from the occurrence of the event that caused the failure to qualify as independent.

Financial Literacy. All members of the Committee shall be financially literate as determined by the Board, or must become financially literate within a reasonable period of time after their appointment to the Committee, and at least one member of the Committee shall be an “audit committee financial expert,” as defined by the SEC.

Committee Composition. The Committee shall consist of three or more independent members of the Board. The members of the Committee shall be directors of the Company and shall be nominated by the Governance and Risk Committee and elected annually by the Board and shall serve until their successors are duly elected and qualified. A majority vote of the Board may remove a Committee member at any time, with or without cause.

Chairman. Unless a Chairman is elected by the full Board, the members of the Committee shall designate a Chairman by majority vote of all the Committee members.

Meetings

The Committee shall meet at least four times annually or more frequently as circumstances dictate. Meetings may be in person or by telephone, or by any other means permitted by law or the Company’s By-Laws as needed to conduct the business of the Committee. As part of its responsibility to foster free and open communication, the Committee shall meet periodically with management, internal audit and the independent auditor in separate executive sessions.

A majority of the members of the Committee shall constitute a quorum. The Committee shall act on the affirmative vote of a majority of members present at a meeting at which a quorum is present. The Committee may take action by the unanimous written consent of the members in lieu of a meeting. Special meetings of the Committee may be called by the Chairman or any two members of the Committee. The Committee shall determine its own rules and procedures, including designation of a chairperson pro tempore, in the absence of the Chairman, and designation of a secretary. The secretary need not be a member of the Committee and shall attend Committee meetings and prepare minutes. The Committee shall keep written minutes of its meetings, which shall be recorded or filed with the books and records of the Company. Any member of the Board shall be provided with copies of such Committee minutes if requested.

The Chairman of the Committee shall be responsible for leadership of the Committee, including approving the agenda, presiding over Committee meetings, making Committee assignments and reporting the Committee’s actions to the Board at the next regularly scheduled Board meeting following the Committee meeting and as requested by the Board. The Committee will discuss with the Board any issues that arise with respect to the quality or integrity of the Company’s financial statements, the Company’s compliance with legal or regulatory requirements, the performance and independence of the Company’s independent auditor, the performance of the internal audit function, or any other matters within the scope of the Committee’s function.

Authority of the Committee

The Committee shall have the authority (1) to exercise all powers with respect to the appointment, compensation, retention and oversight of the work of the independent auditor for the Company and its wholly-owned subsidiaries, (2) to retain special legal, accounting or other consultants (without seeking Board approval) to advise the Committee and (3) to approve funds to pay the fees for such advisors. As part of its oversight role, the Committee may conduct or authorize investigations into or studies of matters within the Committee's scope of responsibilities, with the full power to retain outside counsel or other experts for this purpose. The Committee may ask members of management, internal audit, or any other employees, outside counsel, the independent auditor, or others whose advice and counsel are relevant to the issues then being considered by the Committee, to attend any meetings of the Committee or to meet with any member of, or consultant to, the Committee and to provide such pertinent information as the Committee may request.

The Company shall provide appropriate funding, as determined by the Committee, for the payment of (i) compensation to the independent auditor engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company, (ii) compensation to the legal, accounting or other advisors engaged by the Committee and (iii) ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.
